The Nevada State Board of Cosmetology will receive testimony from all interested persons and consider and take action on the following proposed adoption of amendments, additions and deletions to the Nevada Administrative Code (NAC) pertaining to the State Board of Cosmetology as more detailed and defined in the attached document. If no person who is directly affected by the proposed action appears to request time to make an oral presentation, the State Board of Cosmetology may proceed immediately to act upon any written submissions:

1. The Need for and Purpose of the Proposed Temporary Regulations.

The need and purpose of the proposed temporary regulations are to implement changes in NAC Chapter 644 with regard to sanitation violations, student practical examination garments and shoes, and student retake fees. Two of the changes will reduce the expenses for cosmetology students in the State of Nevada.

2. Terms or Substance of the Proposed Temporary Regulations or Description of the Subjects and Issues Involved.

First – NAC 644.700 a change to allow a \$100 fine for sanitation violations beyond the first sanitation violation with disciplinary action at the discretion of the Executive Director

Second – NAC 644.053.8 a change to remove the requirement to wear white garments and footwear during the practical examination and replace it with the requirement to wear clean outer garments and adequate footwear.

Third – NAC 644.062.7 a change to reduce the testing retake fee from \$110 to \$75.

3. Estimated Economic Effect of the Proposed Temporary Regulations on Small Business.

The proposed temporary regulation has no adverse economic effect on the Nevada State Board of Cosmetology, the licensed cosmetology professionals, licensed cosmetological establishments, licensed cosmetology schools, cosmetology students, or the public. The regulation has no negative impact on Small Business. The temporary regulation could have a beneficial economic effect on the Board of Cosmetology, Small Business, and the public. The regulation will have a positive economic impact on students as it will enable the students to continue to test and receive licensure if they have struggled to successfully pass the tests required for licensure. It will have a positive economic impact on students by not requiring them to purchase white garments and shoes for taking the practical examination. It will have a positive economic impact on the Board of Cosmetology as more students are expected to continue re-testing to licensure.

4. Estimated Cost to Agency for Enforcement of Proposed Temporary Regulations.

The proposed temporary regulation will present no additional incremental cost to the State Board of Cosmetology in administering these new regulations.

5. Regulations of Other State or Local Governmental Agencies which the Proposed Temporary Regulations Overlap or Duplicate and the Necessity Therefore.

The proposed temporary regulations do not appear to overlap or duplicate regulations of other state or local governmental agencies.

6. Establishment of New Fee or Existing Fee Increase.

The temporary regulations would not increase any existing fee or create any new fees. The proposed temporary regulations would in fact reduce an existing testing retake fee from \$110 to \$75.

Persons wishing to comment on the proposed action of the State Board of Cosmetology may appear at the above scheduled public hearing or may address their comments, views, or arguments, in written form, to the Nevada State Board of Cosmetology, 1785 E. Sahara Avenue, Suite 255, Las Vegas, Nevada 89104. Written submissions must be received by the Nevada State Board of Cosmetology on or before October 27, 2014. If no person who is directly affected by the proposed action appears to request time to make an oral presentation, the Nevada State Board of Cosmetology may proceed immediately to act upon any written submissions.

A copy of this notice and the proposed temporary regulations to be adopted and amended will be on file at the State Library, 100 Stewart Street, Carson City, Nevada, for inspection by members of the public during business hours. Additional copies of the notice and the regulation to be adopted and amended will be available at Nevada State Board of Cosmetology in each office location: 1785 E. The text of the proposed temporary regulations will include the entire text of any section of the Nevada Administrative Code, which is proposed for amendment or repeal. Copies will be mailed to members of the public upon request. A reasonable fee may be charged for copies if deemed necessary.

Upon adoption of any regulation, the agency, if requested to do so by an interested person, either before adoption or within 30 days thereafter, will issue a concise statement of the principal reasons for and against its adoption and incorporate therein its reason for overruling the consideration urged against its adoption.
